Please register my calves from the previous season automatically in ..... each year under the following conditions:

- \_\_\_\_\_ Standing orders for e-registration apply only to animals born in the preceding season. All other registrations must be dealt with individually.
- \_\_\_\_\_ A "what if" report from e-registration will be created based on the following parameters, specified by the member. This will be sent to the member with the following:
  1. A reminder to make sure that all calves are named on MINDA.
  2. Details of any sire queries.
  3. A reply portion to confirm the animals to be registered. This will include the ability to exclude any animal and to include male animals individually.
- \_\_\_\_\_ On receipt an invoice will be generated and sent to the member.
