DISCLAIMER:

The information printed in this catalogue is derived from data supplied by the vendors and stored in the National database. Although every care has been taken to ensure accuracy in the production of this catalogue, the vendors, the vendors' agents, the Auctioneers or its agents, LIC, its subsidiary or its agents who collect, process or publish the information supplied; and the printer do not take any responsibility or liability for any errors, omissions or misstatements contained herein.

OSH:

Every effort will be taken by the Vendors, Auctioneers, their staff and assistants, both on the day of the sale as well as on any other visits of inspection to ensure the safety of intending buyers and visitors. However, we wish to advise that this is a farm run under normal management conditions and certain dangers exist in relation to livestock and their environment. Visitors should take all care to ensure their personal safety and children must be supervised at all times.

CONDITIONS OF SALE

FEMALE GUARANTEE: Every female shown as bred on a certain date, except any which may have been served within six weeks of the sale, is guaranteed in-calf. Every female where shown as pastured with a bull is guaranteed in-calf. This guarantee expires five weeks from day of sale.

Where this catalogue specifies an expected calving date (other than a pastured with bull expected calving date), and that date later proves to be completely inaccurate, the Vendor shall refund 25% of the purchase price direct to the Purchaser. As a basis of arbitration a period of fourteen days either side of specified calving date shall constitute the maximum tolerance allowed for calving. The 25% refund shall not apply where pastured with bull details and dates are printed in this catalogue, unless it is specifically stated that the specified calving date guarantee is to apply.

The foregoing conditions shall apply only after the following guarantees:

1. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the Vendor subject always to liability under other clauses contained in the Conditions of Sale and the Special Conditions of Sale. The purchaser has the right to retest at his or her own expense before delivery is made from the place of sale.
2. Where a female is offered for sale as being in-calf, without a supporting Veterinary Certificate and the female is subsequently proved to be empty the Purchaser has the right to return the female to the Vendor or carry out such disposal as the Vendor may instruct and the Vendor will refund to the Purchaser the purchase price plus the transport costs only.
3. Mummified Calf: Where any female sold as being in calf proves to be carrying a mummified calf, no responsibility is to be born by the Vendor.
4. Yearling Heifer Guarantee:
 - a) Yearling Heifers sold as unmated, are sold with the guarantee to breed. The term to breed shall constitute to produce a calf, dead or alive. Should the heifer fail to produce a calf by 31 December 2023, the Vendor shall refund in full the purchase price.
 - b) Where a yearling heifer is sold as unmated, this constitutes a guarantee that the heifer is not in-calf as at the date of sale.
 - c) The use of MOET or IVP reproductive techniques on a female after purchase completely negates the breeding warranty.
5. Any complaint to the Auctioneers must be accompanied by a Veterinary Certificate; word of mouth will not be sufficient proof.

MALE GUARANTEE: The entry of any bull in this catalogue constitutes a guarantee by the seller that the purchase price without interest, expenses, costs or damages shall be refunded if notice of fertility or failure to breed is accompanied by a veterinary certificate and MUST be in the hands of the vendor within four months of delivery. Where a bull is not a breeder the purchase price without expenses will be refunded. The cost of taking delivery and returning the bull to the seller is to be borne by the buyer.

DELIVERY:	All purchases, as is customary, will be at BUYER'S RISK FROM FALL OF THE HAMMER.
PRICING:	All animals are sold in NZ dollars exclusive of GST, unless otherwise stated.
ONLINE PURCHASING:	You should only place a bid if you intend to buy the animal on offer at the price entered. If you place the winning bid where an Agency has agreed to accept the charges for any purchases made by a user in an Auction, charging will be applied to that agency for all lots purchased by the user in that Auction.
INSURANCE:	If Transit or Annual Insurance is required, such cover can be arranged through the Auctioneers on application.
INSTRUCTIONS:	Purchasers are asked to sign dockets before leaving the sale and to leave full and explicit transport instructions.
TRANSFERS:	Vendors are responsible for completion of all transfers. No purchaser shall be entitled to withhold payment for pedigree stock pending execution of delivery by the Vendor of the transfer of the same, registrable in the Stud Book.
COMMISSIONS:	If it is not possible to be present, the Company's Livestock Agents who are thoroughly conversant with the offering will be glad to make selections or bid on specified lots according to instructions.
TERMS:	Payment by 10 days following date of sale.
OTHER CONDITIONS	The sale is also subject to the general conditions of sale displayed at the sale.

Sale Comprising of:

1	In-Calf Registered Ayrshire Cow
4	In-Calf Registered R2 Ayrshire Heifers
8	Registered R1 Ayrshire Heifers
69	Straws of Semen

Foreword

It is an honour to present to you the 2023 Ayrshire Annual Conference Sale catalogue. A very select line of impressive quality individuals have been consigned by a group of vendors that includes many of New Zealand's leading herds. The variety of the offering features young animals that due to their diligent breeders are set to make their mark on the national Ayrshire herd. From breed leading production, genetic indexes to show winning type and bull breeding opportunities, it's all available here in this special offering.

It's not an easy thing to offer your best and share it. Many of the consigners here are doing just that, and that needs to be recognised. The best way you can thank them is bidding and make a plan for these elite lots to enter your breeding program.

We at Link Livestock Limited hope you enjoy your time together at the National Conference and thank you for your support in our partnership.

With thanks

LOT 2 | Lodore Sonic Godly | CHDD-21-57

A2/A2

All the 21 born heifers at Lodore have been Genomically Tested. This is the Highest BW heifer of the line. GBW 200/47 GPW 224/19 She is bred from one of the highest indexed lines in the herd. This heifer is not tall, she is a capacious and robust type heifer. When you look at the Sires in the pedigree, who all are medium for liveweight, she can only be a medium sized cow. With the depth in this pedigree, there is potential for her to be a bull mother.

This is probably the best all round heifer I could offer from the secret family with index, production, type and a heifer you could very comfortably put in the show ring. I will have a reasonable reserve on this great individual.

LOT 9 | Mossy EP Betty | RVGD-22-16

Betty is possibly our best all round calf this year, she has a great balance of strength and dairyness and with the sire and dam behind her you should get great type and production as well. Her dam is a very good no nonsense herd cow with a great feed drive and an amazing udder, she is also one of our highest LW Ayrshires in our 400 cow mixed breed herd. A stunning calf with a big future.

LOT 11 | Ingleside Jay Tart | DWFK 22-47

Offering a calf from our "Tart" line that we bought from Brookview. This family is breeding very well for us. Jordie's dam had her only classification at 9yr old. A good volume cow averaging over 6000lt and 463kg solids over 10 lactations. Jordie's maternal half-sister is our top Ayrshire 2yr old this season with 452 solids in 295 days.
