FOREWORD

Once again the Kite Family of Kiteroa Ayrshires have put together an amazing catalogue of animals for your purchasing. Some of the strongest Ayrshire families in the country are represented multiple times throughout this catalogue. They are families that represent generations of high producing cows that have very impressive longevity and outstanding type. The animals that are put up this year are yet again another outstanding article that you can have absolute confidence in buying.

The catalogue is started off with two exceptional pedigrees, an Iwa Super Sonic daughter directly out of Kiteroa Cream Peyton E9-9, a cow that has produced at least 585 milk solids per lactation for 4 lactations in a row, all while winning North Island Champion cow in 2020. Lot 2 is a Priority daughter that goes directly back to the best cow to ever grace the Kiteroa pastures in Kiteroa Bonny Bluestar Ex3, the cow you can see on the back cover.

Zane and the family can be exceptionally proud of the group they have put up for auction this year. I have no doubt in my mind that they will shift extremely well into other herds as they always have done in the past. As always the hospitality on the day will be exceptional so make sure you mark it in your calendar as a day not to be missed. We look forward to seeing you there..

Can't offer a better pedigree. Predette has impressed in the show ring and definitely can milk, combined with Starlight (PW 601) on the top line and you have a bull with a big future. Born a little later than I normally offer but happy to take him through to weaning.
