Welcome to the 2025 SOUTHERN SELECTION – SPECIAL EDITION SALE

May 6 – only through bidr.co.nz – from 7pm

Welcome to the 2025 Southern Selection – Special Edition Sale at Fairleigh Ayrshires and Holsteins.

This bi-annual sale has special significance for our family because it is 30 years since we converted the farm at Kelso, and 60 years since Ken bought his first registered Ayrshire.

To honour the two milestones, we have chosen to offer a mix of our very best from both breeds (with a couple of Jerseys) on May 6.

What's on offer

It will include close to 55-head, including several young in-milk cows that are ready to go on and make an impact for their new owners. This is only the second time we have included in-milk animals.

We've once again chosen to showcase our sale animals online through Bidr – rather than selling them live in an on-farm auction.

Life is busy and while we love good cows, we don't have as much time to travel to the shows as we used to – or, to market the cow families that make up our family operation. However, we remain just as passionate about breeding deep maternal lines as we move towards milking 700-head next year.

We have 280 being milked through four robots which are fully housed, and the balance is milked through our 40-a-side herringbone dairy. There are no robot cows included in this sale to make it easier for our buyers.

The herringbone cows we have included all work hard for their living in our fresh Southland climate. They are pasture-fed, supplemented with 3kg of pellets a day, and supported by silage and haylage on the shoulders of the season.

Seller's choice

One of the standouts for us – and the oldest inclusion – is our Ayrshire headliner who sells at **Lot 1. Fairleigh BG Peach** is waiting to be judged in the national final of this year's Ayrshire New Zealand On-Farm Challenge, after winning the four and five-year-old class for the Otago and Southland region.

Also of note is **lot 5, Fairleigh Pharo Ambrosia** – whose great granddam Ernest-Anthony Addison-ET EX-90 – needs no introduction. It puts EK-Oseeana Ambrosia-ET EX-95 2E in as the Pharo's fourth dam, and Tri-Day Ashlyn-ET EX-96 2E GMD DOM as her fifth. The Ambrosia family has also bred very well at Fairleigh, and while the Pharo's current classification tells us that the classifier had a bit of mud in his eye the day he pointed her, we look forward to seeing how she develops in the paddock and in the show ring for her new owners.

Deliberate focus on younger animals

As you work through the catalogue, you will notice that we have deliberately focused on our younger animals with everything in front of them. The bulk of the offering is split between a strong weighting of in-calf heifers, down to a select group of exciting young heifer calves that we are extremely proud to bring forward to the market.

There are also six animals from Grant Stalker and Margaret Kregger. Grant works on-farm with us, and it's a pleasure to see their work represented.

We have each got our favourites, and it is always hard to part with them. But we are excited to see what they can do with their new owners.

Thank you and finally...

Thank you to Dianna Malcolm and her team at Mud Media for helping capture the images for this sale. It was a tremendous help to have her perspective on-farm.

Also, a thank you to Brian Robinson for compiling the catalogue. Robbo has been part of the Fairleigh Farms sales for a long time now.

We wish buyers every success with these animals, and if you have any questions, please do not hesitate to contact us.

Pre-sale inspection is welcomed by appointment.

Sincerely,

Ken, Nancy, Bruce and Tanya Eade.

From the Auctioneers

In the 30 years our vendors have lived in West Otago they have created their own piece of 'Paradise' amongst the beautiful rolling, green pastures covered mostly these days in dairy cows. From small beginnings they have now four robots, and a 40 aside herringbone milking parlour, milking well in excess of 600 Holstein and Ayrshire cows in total every day of the year.

While they are Ayrshire farmers they have also created a fine herd of Holsteins to partner a lovely herd of deep pedigreed Ayrshires. Deep cow families form the best herds across our country and it is this feature that has helped establish this dual breed herd as one of the best countrywide. High producing cows of lovely dairy bone with snug udders can be found at Fairleigh. Purchasers can be assured their selections, given the opportunity, will perform well in their new herds.

Thank you to the Eade Family for entrusting us with the job of marketing their sale selections at this 30 year Special Collection Sale.

All enquiries are welcomed.

Note: All purchasers must fill in the Transport / Delivery / Transfer instruction sheet and return to either: Brian Robynson or Mark Cuttance (see rear of catalogue for Transport page).

Bull Dates

- The Ayrshire and Jersey in-calf heifers ran with Ayrshire bulls from 26/10/24 to 20/12/24. (RTWC-23-100, BWLF-21-143 – both bulls are DNA profiled).
- The Holstein in-calf heifers ran with Holstein-Friesian bulls from 26/10/24 to 20/12/24. (RTWC-23-77, BWLF-22-24, BWLF-22-101, BWLF-22-9 – all bulls are DNA profiled).
- Lots 30 and 31 were run with Holstein-Friesian bulls from 26/10/24 to 30/12/24. (BWLF-23-28, BWLF-23-123) – these two bulls have NOT been DNA profiled.
- Ayrshire, Friesian and Hereford bulls were run with the herd from 20/12/24 until 10/1/25.

CONDITIONS OF SALE

The following special conditions apply to this sale where applicable:

FEMALE GUARANTEES:

1. Every female shown as bred on a certain date, except any which may have been served within six weeks of sale, is guaranteed in-calf. This guarantee expires 28 days from the sale date.
2. Where a sale catalogue specified a calving date and the resultant calf is not acceptable for registration by the MINDA service of the Livestock Improvement Corporation (LIC) or by the relevant Breed Society because the calf is born eleven days or more either side of the specified calving date and the paternity is not able to be verified the seller shall refund 25% of the purchase price plus GST direct to the buyer.
3. This clause 2 does not apply if the sale catalogue states that a bull was pastured after AB ceased.
4. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the seller subject to liability under the other clauses contained in the Conditions of Sale. The buyer has the right to retest at their own expense before delivery is made from the place of sale. Where a female is offered for sale as being in-calf, without a supporting veterinary certificate and the female is subsequently proved to be empty, the buyer has the right to return the female or carry out such disposal as the seller may instruct and the seller will refund direct to the buyer the purchase price plus the return transport costs.
5. Cows sold as not in-calf at the time of sale, shall be sold with a guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the cow fail to produce a calf by the 31 December 2026, the seller shall refund in full the purchase price direct to the buyer.
6. Yearling heifers sold as unmated are sold with the guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the heifer fail to produce a calf by the 31 December 2026, the seller shall refund in full the purchase price direct to the buyer.
7. Where females are sold as not in calf, (including yearlings and calves), are flushed for embryo transfer, either with or without success, all guarantees to breed become null and void.
8. Where any female sold as being in-calf proves to be carrying a mummified calf, no liability will fall on the seller.
9. Any animal which is sold as in-calf but subsequently aborts the foetus after delivery is the responsibility of the buyer and no liability will fall on the seller.
10. Any claim to the auctioneers must be accompanied by a veterinary certificate.

GENERAL CONDITIONS:

DELIVERY: Each lot shall, immediately on the fall of the hammer, be at the risk of the buyer.

INSURANCE: If transit or annual insurance is required, such cover can be arranged through the auctioneers.

INSTRUCTIONS: Buyers must sign dockets before leaving the sale and leave full delivery instructions.

TRANSFERS: Sellers are responsible for the completion of transfers. No buyers shall be entitled to withhold payments for stock pending delivery by the seller of the relevant breed society transfer certificate or LIC Animal Location Transfer Certificate.

PAYMENT TERMS: Payment 14 days after date of sale. Sale is being transacted by PGG Wrightson. * See note below.

PGW's Terms of Sale apply to this sale. When proceeds are credited or a purchase is debited to a PGW monthly credit account, then PGW's Monthly Account Terms of Trade (as amended from time to time) apply to the extent deemed relevant by PGW.

* **SPECIAL PAYMENT TERMS:** Payment is due within 14 days of the sale date. Those purchasers wishing to avail themselves of payment terms please contact the below people at least 24 hours before sale day:

Brian Robinson BRLL 027 241 0051 or Mark Cuttance PGGW 027 442 4742

Lot 1

Fairleigh BG Peach E8-9

A golden opportunity to purchase this outstanding cow. She's waiting to be judged in the National final of the 4 and 5 year old Ayrshire On-Farm challenge, after winning the Otago/Southland region.

Her grandam, Fairleigh Bur Peach, was the 2016 South Island Champion Cow, in addition to Supreme Champion All Breeds and Supreme Exhibit at the Balclutha 150th Centenary Show in 2016.

Winning is in this family's DNA.

Due to calve 29/10/25. Ran with Ayrshire, Friesian and Hereford bulls 20/12/24 to 10/1/25.

Fairleigh RHY Vicky S2A V8-8

A very rare opportunity to purchase a rising star. She is only being offered because it's a Special Edition sale. She is a descendant of Laurelbank Vicky EXC, the 1974 Royal Show Champion.

Check out her mating. Her dam is showing her true potential in the robot system this season. She'll push to 10,000 litres and 750kg/ms. We believe this young cow has a massive future, and she will be very hard to part with because she ticks all the boxes.

Fairleigh Pharo Ambrosia 84GP

Pharo Ambrosia is a not too distant relative of one of the most well-known cow families on the planet, right here in New Zealand. Solid classification on all the NZ family members means she will surely go on to higher honours in the future. At only 2 years old, she has her whole life in front of her. Her LW of 612 shows there's more to her than just good looks and a phenomenal pedigree.

Check out her form on the front cover. Don't miss out.

Apples Army daughters have been a real find here at Fairleigh. They are great herd cows that work hard. Ray is no different.

Her dam, Gold Ray, was only classified once as a 2yr old, but she stood the test of time and was in the herd until the end of her 13-year-old lactation with an average 550/kg/ms production record.

Fairleigh FB Franky S2F 88VG

Franky wasn't originally in the sale, but she caught our eye in the paddock one afternoon, and I think you'd have to agree after a wash, she looks pretty special.

Brewmaster and Doorman: 2024 in the pedigree is worth noting. An honest cow that just goes about her work. LW of 601.

A blast from the past, Stranger On The Shore combined with a dam that is still in the herd at 10yrs old, who still looks fantastic and deserving of her E9-8 classification.

A very smart heifer.

What a smart heifer we have here. Classification of the family, production of the grandam, and she's sired by Unix. Her dam, Mogul Roxy, was very sick after calving, hence her poor 2yr record. She calved back down in April 2024. This is a well grown heifer that should go on to good things.

Very smart Red Holstein heifer. Her dam was mated to Siemers EXC Hanans on 30/11/22, Loyal was born 15/9/2023 but Genemark can't verify the sire, this was the only mating the dam had, hence the empty top line. We'll let the buyers decide. If nobody wants her, we're happy to keep her.

You could say this Alcove daughter is a bit white, but that doesn't affect her BW of 401. Alcoves are known for their high output, so take the chance and get your hands on one.

The dam's current record looks lower than it actually is, because of a computer malfunction on the first two herd tests on the robots this season. Three cows were impacted. She was one of them. Note her LW of 508.

Fairleigh D-Lambda Lilac

What a pedigree! Manat, Goldwyn, and Mogul. They're all there, and she's sired by the hottest bull in the world at the moment, Delta Lambda.

Someone's taking home something very special here.

Fairleigh Dropbox Toni

A NZ ROYAL FAMILY, the 'Tonis' need no introduction. We bought R/ Haze Toni at the Fermoy Dispersal Sale, she's still here, and she's loving robot life. This was a hard decision to put Dropbox Toni up for auction, but the occasion warrants it.

Calving to sexed Townlineacre Legendairy-ET.

She hails from the Lois family, the oldest Holstein family in the herd. The foundation cow was bought from the late Lex Bagrie's "Silverdale" herd almost 30 years ago. As you can see, production runs deep in this family, and the Lois' are always high performers.

Our first time selling Jersey cattle, and we think this is a solid heifer. The Diesel dam came from a once-a-day herd and she has really blossomed at Fairleigh on twice-a-day milking. Sired by Matt, she has a 237 BW.

YOU BE THE JUDGE.

"We really shouldn't be selling this one," was Ken's comment. But we have to offer the best.

Byway Petrelle is a high-production dam that will share these traits with this lovely Jedi daughter.

Foundation cow was Landcross Leader Shari. A family that has produced balanced, quality cows that have been successful in the show ring. The recent Semex 'On Farm' in the Waikato has a Shari in the top six of her respective age group. The Shot Laser MGD was a great brood cow leaving many balanced daughters. The Laser was out of a Goldwyn x Shari. Davinci completes the pedigree.

Fairleigh Bur Penny

WOW!! What a way to finish, with a big red Burdette daughter. Her dam is an exceptional cow with an E9-8 classification, and a LW of 617.

We've tried to bookend the sale with the best – both at the start – and at the finish. So, be the last to hit the "bid" button here, because you won't regret it.

She is halter trained as an added bonus.
